

Action Bingo

Write the name of somebody who has done the action described in the box.

Don't worry if there are some that you don't know - you can skip these.

Supported another person to solve a problem/argument.

Spoke to someone in their school or community that could help to solve a problem.

Wrote a letter to someone who could help to solve a problem.

Signed a petition to let people know they want to see changes on a matter.

Gave a speech about an issue in front of lots of people.

Took part in a march, protest or demonstration.

Went on strike.

Told people about an issue on social media.

Created something - like a film, an artwork or a poem - that makes people think about an issue

Boycotted something (decided to stop spending their money on something) because of something that a company does.
