

We learned about my human rights today

Hey, little one! Welcome to Scotland!

We are so delighted that you're here. Did you know that Scotland is implementing the United Nation's Convention on the Rights of the Child into Scots Law, just for you? This means that wherever you are – at home, in your community, with your childminder, in your nursery or in school – your human rights go everywhere with you to help to keep you healthy, happy and safe.

With love,
Children's Parliament.
