

MANOR PARK CURRICULUM Explorers

Primary 5

How we grow and flourish

- We support and help our friends. We give them confidence.
- We learn how to help ourselves – taking deep breaths.
- We respect other people's opinions.
- We learn how to cycle to school.
- We talk about ourselves and what makes us unique.

Learning across subjects and in different ways

- Our school is eco-friendly – in the garden we grow fruit and vegetables.
- We do more outdoors learning as this gives us energy. We have a tent outside. We all go to Play Forum, no matter the weather. We get muddy!
- We go on trips to the museums and explore what we learn in class more.

The learning we do

- We use computers for all our subjects – including topic and Sum Dog. We learn how to keep ourselves safe online.
- P.E. includes basketball, football, hockey, gymnastics and dodgeball, swimming and using the climbing frame. We get a choice on what we do. We work with people like AFC who show us how to keep physically fit
- We try out more experiments like how oil and water mix, making rockets and Pharaoh's snake.
- We learn languages from other children who speak them in school.
- We'd learn stories and myths from other countries.
- We do more maths outside – like measuring real things.
- We have visitors. We'd learn how lights work. An electrician would come in and explain.
- We visit the library and read. We get to choose what books are there.
- We talk about ourselves and what makes us unique.
- We would learn about famous artists and how to remake their paintings/ sculptures.

The experience of being at school

- We have a happy teacher, our lessons are fun in and out of class. Our teacher needs help and support when they are lost.
- We start the day with Soft Start and an emotion check-in.
- We have more time for playing as we are still learning. We have clubs, equipment to play with or activities at break, at lunch or afterschool
- If someone is new, we make them feel welcome.
- Our class is a quiet, calm and happy place. We have a class and playground environment that is clean and safe.
- Our school is bully-free.
- We get extra breaks if we need it.
- Everyone in our class gets to choose something that we all do. All children can decide if they want to sit by their self or not
- We help younger children by being buddies.
