3... 2... 1... and zero. Right kids, everyone listening. Thank you. Before you head off to bed you must listen to me. This is very important. I'm going to set a few boundaries for YOU to follow so listen up. Everyone will be in bed by 9:30. SHARP!

Blah Blah Blah Blah Blah Blah

I'm fed up with this, I'm off!

KATIE! Get out here now! KATIE!

Hello KATIE!

KATIE!

KATIE!

Peace at last! I finally have time to think! It's all too much!

**You lot go find her!
FIND HER NOW OR
IT'S DETENTION
FOR ALL OF YOU!
GO NOW!!!**

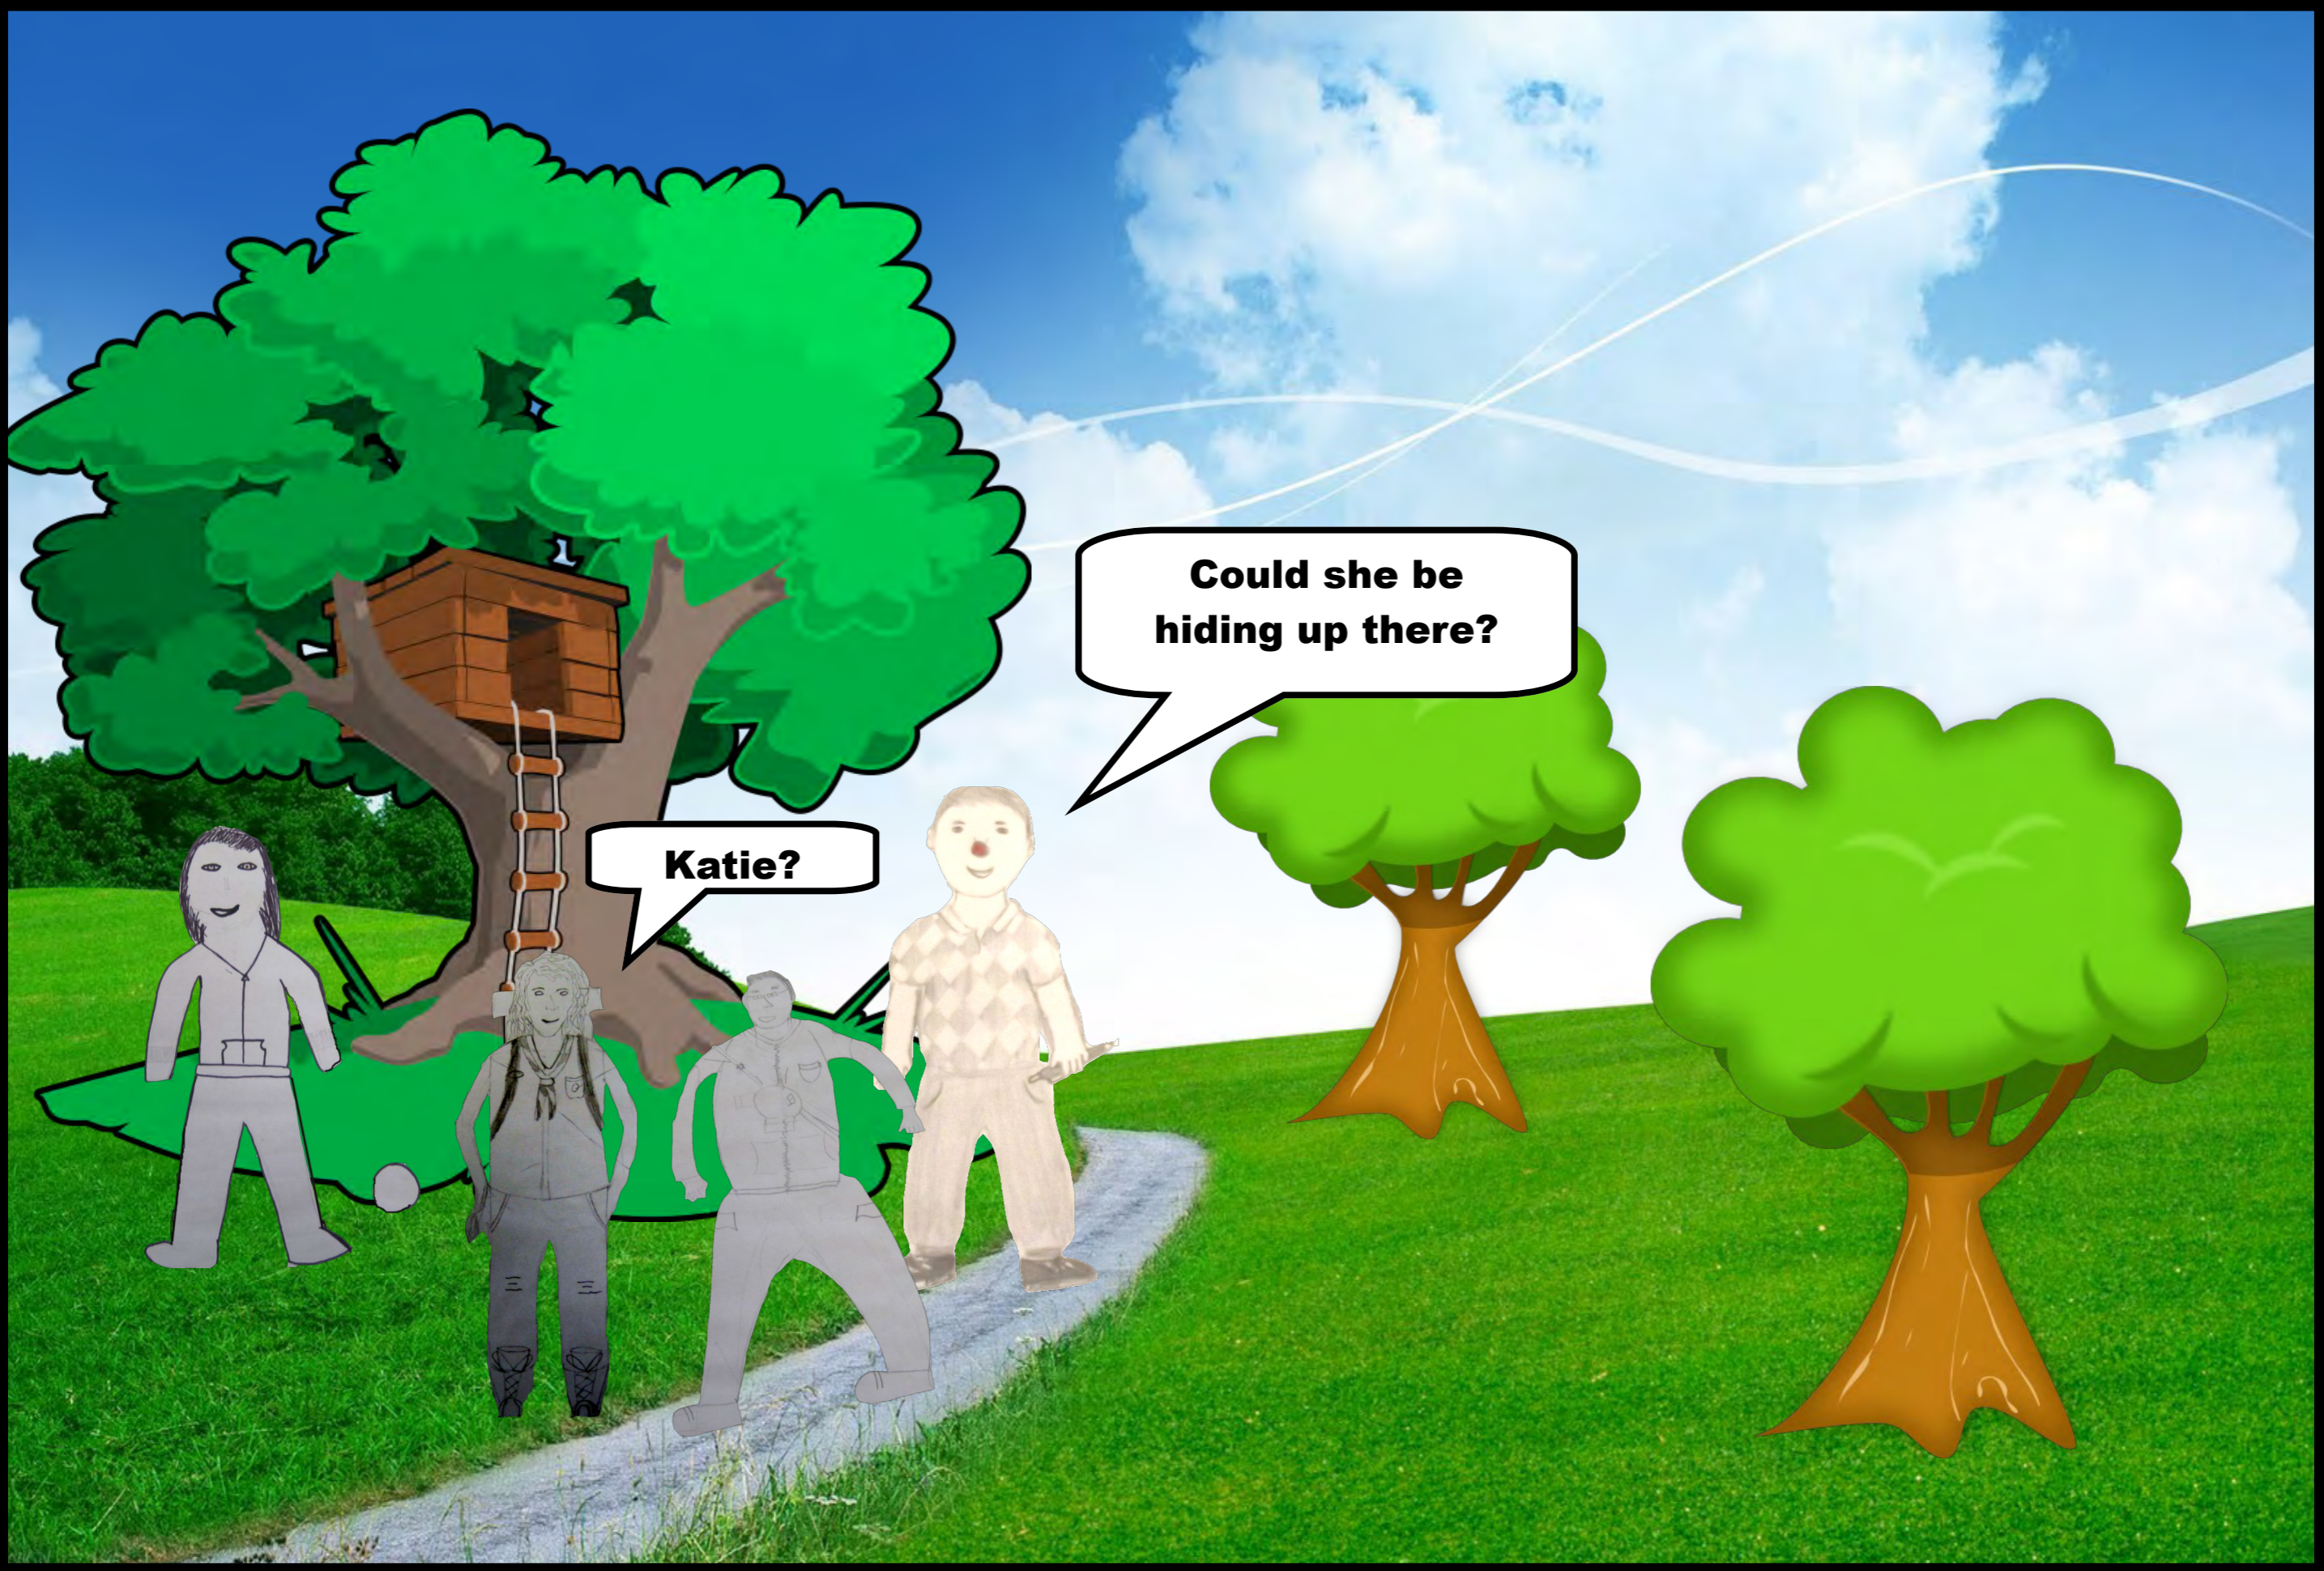

**This isn't like Katie I
would know I know
her best out of all of
us!**

**Why didn't we
listen?**

**Why didn't we
understand what
she was trying to
say?**

**I don't see why we
have to look for her.
It's the teacher's
fault too!**

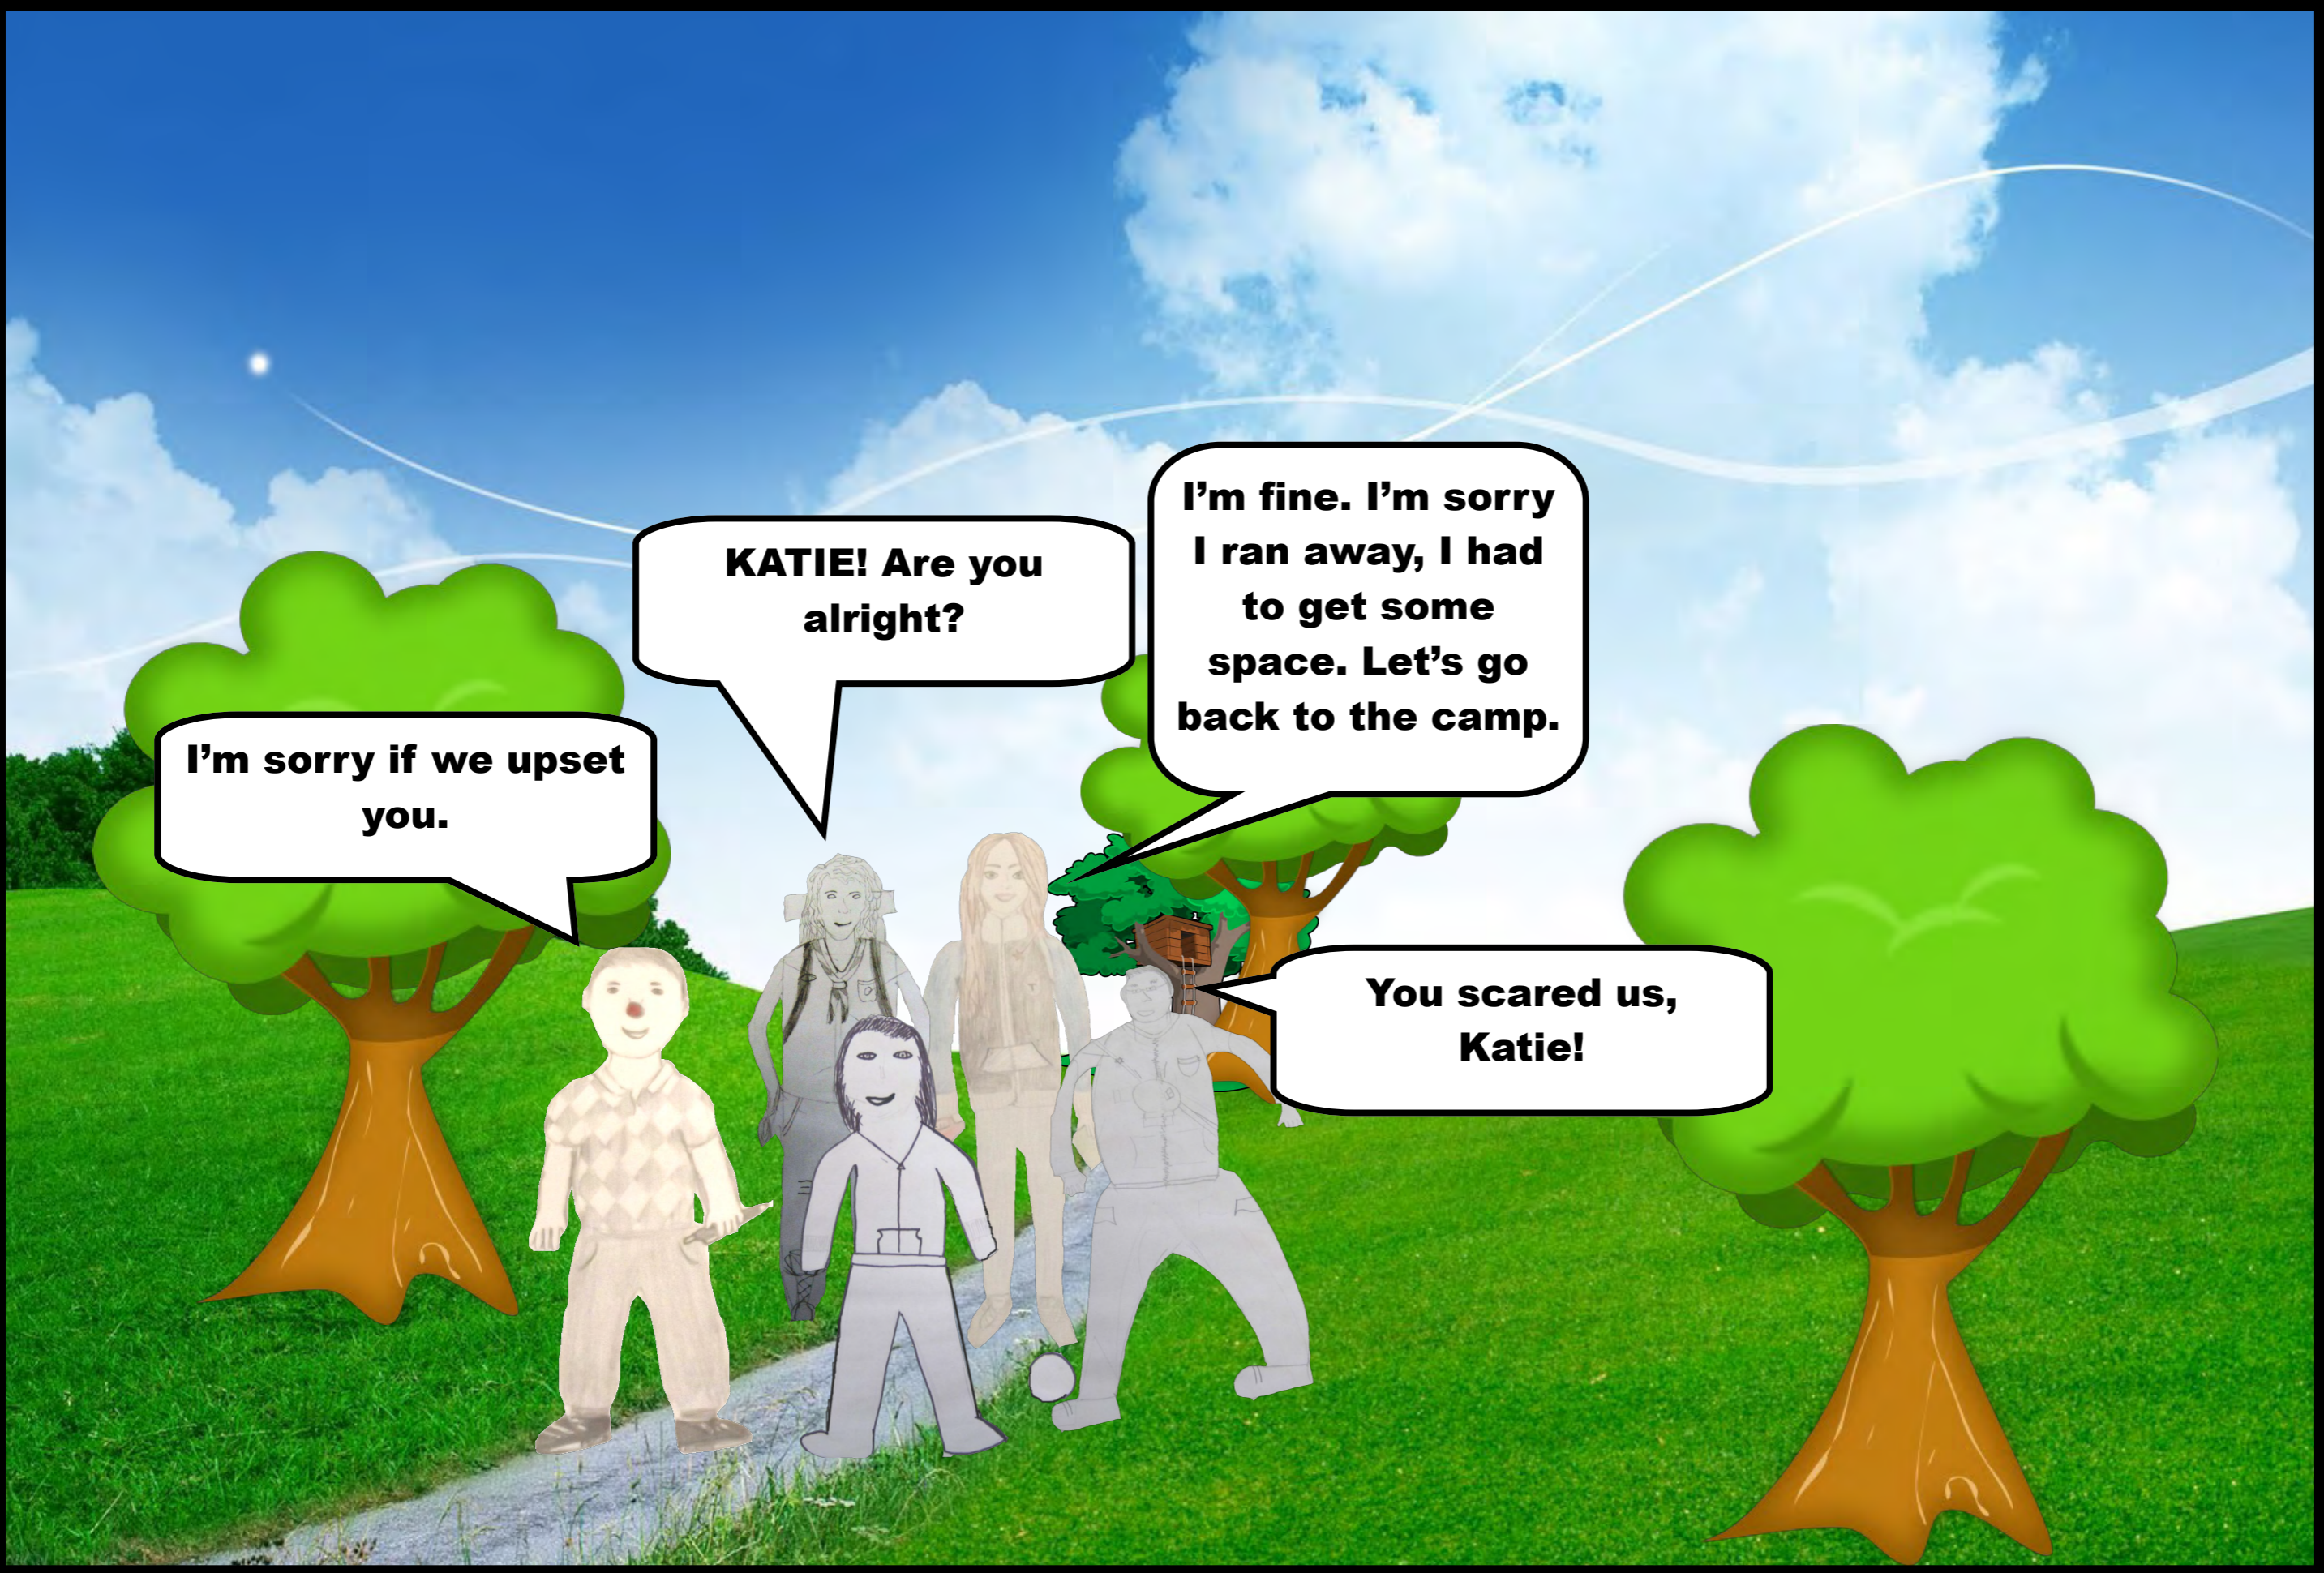

Katie?

Could she be hiding up there?

Yes I am!

**Could she be
hiding up there?**

I'm sorry if we upset you.

KATIE! Are you alright?

I'm fine. I'm sorry I ran away, I had to get some space. Let's go back to the camp.

You scared us, Katie!

I learned that I should respect others and stop being so selfish.

I learned that everyone deserves a bit of space, but not if it will upset others.

I learned that I should respect everyone's needs and opinions, but that doesn't mean I have to follow their beliefs.

I learned that I should help people in a difficult situation.

I learned that I should let everyone express their opinions in their own ways.

I learned that I should be kind to other people but also give them space.
