**Hey, I'm

Everything was silent as usual in The Land of the Divided. A river flowing was the only noise heard for miles, until... CRASH!!! A plane crash landed into the Land of the Divided High School and the five friends quickly find each other. This is where our story begins.

Where are we?

There's nobody here!

I wonder where Nicola is...

What are we going to do?

Abbie, Mark, Monika and Josh walk deeper into the thick forest unaware of their surroundings and unaware that Nicola has been split up from the group.

After a lot of walking they finally reach an abandoned town. To find a large letter explain how Nicola has been captured and they must save her. The letter states she's trapped in the mountains and the friends set off once again on an adventure to save Nicola.

They arrive at the mountains to find four mysterious tunnels which they each walk down with trembling legs to find obstacles they must overcome.

Turn back now you can go back to camp and have a nice long sleep and sit by the nice warm fire...

I would much rather sleep than save Nicola, but I know that's the wrong decision.

Its too hard!

You wont be able to do this!

These voices in my head are always getting in the way! I'm going to use my resilience to save Nicola!

**ROLL UP ROLL
UP FREE SWEETS
AND TOYS!**

**I need to stop
getting so distracted
and save
Nicola !**

**I can't hear
you!!
lalalalalalalala**

**Your going to listen to
what I have to say and I'm
going through that door
whether you like it or not!**

They all reach the end of their tunnels to find Nicola trapped by The Hands Down Teacher Creature.

Don't worry Nicola! We'll help you!

Nicola overcomes her fear and with the help of the rest of the gang escapes not being heard by The Hands Down Teacher Creature.

We all have our own strengths and weaknesses!

**I'm glad I
overcame my
lazy self!**

**It's good I
didn't get
distracted in the
tunnel today.**

**I'll speak up
for myself now!**

**No matter
